

Assistive Technology Clinic:

INDEPENDENT - ACTIVE - HEALTHY - SAFE

JULY 30, 2020 | 10 AM | ENFIELD COMMUNITY HALL

Mobility is central to daily life – going to work, visiting family and friends, or participating in recreation and sport.

What's in it for you?

- **Learn about the benefits of Assistive Technology**
- **Opportunity for minor adjustments to your equipment if required.**
- **Opportunity to raise any questions regarding equipment and/or TADSA's services**
- **Meet new people and enjoy some free nibbles from us!**

TADSA's team including our technical experts, with 42 years of experience, will be present to answer your questions & assess your equipment for safety or possible modification.*

FOR CATERING PURPOSES, PLEASE KINDLY RSVP BY 22 JULY-CALL US AT (08) 8261 2922

*Terms and conditions apply.
